Section 1 – Introduction

This handbook contains the Rules, Regulations and general information for members of Sandhurst Camera Club.

Sandhurst Camera Club is a friendly, easy going camera club that welcomes anybody, 16 or over, with an interest in all things photographic. Hopefully this handbook will provide you with a starting point to all those questions about the club, but it cannot hope to cover everything, so if there is something that you would like to know please ask our Social Secretary (see the current programme for contact details), or one of the other committee members.

Brief history

With the introduction of digital photography, the use of cameras ranging from smartphones to professional “high end” cameras has never been so profuse.

Together with the take up of photography, many individuals are seeking to improve the finished image.

In the past, that has been largely through courses, or trial and error.

More recently, the Internet has supported the photographer, with online courses and “social” media such as Facebook and Instagram.

Many of the Sandhurst community joined the “We Love Sandhurst” Facebook group and posted photos they had taken, of family; gardens; visits; and holidays.

Following a Sunday morning walkabout with cameras around Shepherd’s Meadow, another Facebook page was established – “3 Counties Photography Group”.

Whilst that gives an excellent opportunity for the group to get together, take photographs and share some of them, it falls short in a number of areas such as peer group review, professional (competition standard) review and expert input.

It also misses the people who don’t wish to sign up for Facebook, or who have never heard of the group.

Camera clubs are popular, with local camera clubs over-subscribed. In 2014 our close neighbour, Yateley Camera Club, alone had a waiting list of over 20 – far more than satisfied by natural turnover.

For those reasons, we established the first Sandhurst Camera Club.

You can find a copy of this handbook on the Club’s web site:

<https://sandhurstcamera.club>

The document can be read online or downloaded as a pdf file.

Amendments and comments about this document should be passed to the Handbook Editor. The document will be updated as and when necessary.

Acknowledgements

Thanks to Yateley Camera Club for producing their handbook and inspiring the production of this document.

Section 2 - Membership and Subscriptions

Annual subscriptions for membership of Sandhurst Camera Club are decided at the AGM on recommendation of the current Treasurer and are payable at the start of the camera club year in September. The monies collected cover the costs of hiring the meeting room(s), cost of speakers and judges, and general running of the club.

The Club is a non-profit making organisation and the subscription fee levels are set to cover the cost of running the club over the year.

The current fees are shown in the Club Programme and payment should ideally be made by Bank Transfer.

Alternatives are available, through the Treasurer Upon receipt of the membership fee the Membership Secretary will provide a membership card and issue a receipt if requested.

The types of membership subscription are:

- Full individual
- Joint (2 members of the same family living at the same address)
- Junior (under 18 in full time education)

Children, Young People and Vulnerable Adults.

The following paragraphs detail the Sandhurst Camera Club policy, in respect to the above. This policy has been prepared following the advice given in the PAGB document 'Advice for Clubs on Children, Young People and Vulnerable Adults attending Club Meetings, Issue 1, dated 17th Feb 2015 (reformat 2020)'. This document may be found on the PAGB website:

https://www.thepagb.org.uk/wp-content/uploads/child_protection.pdf (not secure) For the purpose of this policy, Children, Young People and Vulnerable Adults will hereafter be referred to as 'vulnerable individuals'.

Anyone under the age of 18 must be accompanied at all times by a parent or guardian, while attending a club evening, or any other activity organised by SCC. This also applies to anyone over that age, who could be considered as being a 'vulnerable adult'. The parent or guardian assumes full responsibility for protecting the vulnerable individual from any form of abuse be it sexual, emotional or physical and from exploitation or any other action or activity that may be considered harmful.

The minimum age for a Student member of SCC is 16 years. The minimum age for a guest is 16 Years. Please note that in both instances, the vulnerable individual must be accompanied at all times by a parent or guardian, as detailed in the previous paragraph.

The parent or guardian must be a full member of SCC. As such he or she will understand the nature of the images being displayed, or the activities on a particular club evening and be able to decide if these are appropriate for the vulnerable individual to see or take part in. The parent or guardian accepts full responsibility for this decision. It is not SCC policy to provocatively display adult themed images, though it is entirely possible on artistic grounds that they may be displayed appropriately. The parent or guardian must fully accept this.

Section 3 - Activities and Facilities

Meetings

The club meets at 7.30pm (for a 7:45pm start) on alternate Tuesdays from September to June, at The Kitty Dancy Room, Sandhurst Community Hall, Yorktown Road, Sandhurst GU47 9BJ. The final meeting of the year is usually in June, but there can be informal extended summer programme during June, July and August. The normal club meetings last around two hours with a 15 minute break for refreshments and, due to the carpark gate being locked at 10:00pm, close about 9:45 pm.

Guest speakers

Guest speakers are invited to the club during the year to talk on a wide range of photographic and related subjects. Speakers may use prints, slides or projected digital images (PDIs) to illustrate their talks, although occasionally a speaker will demonstrate printing, mounting or framing techniques. Each year the club will arrange for a “well known” photographer to speak to the club. These evenings, denoted as “Keynote Speaker” events may be held at other (larger) venues than the usual club meeting room to accommodate a larger audience, if necessary.

Competitions

The club runs several competitions for its members throughout the year and also takes part in external inter-club competitions. The club participates in the annual SCPF Leagues for PDI and Printed images

Print and PDI competitions are run and all paid up members are eligible (and encouraged) to enter. Please see Section 5 of this document for details and the full set of competition rules.

Please see Section 6 of this document for details of the local inter-club competitions.

Practical evenings

The club runs a series of ‘practical’ evenings throughout the year. These evenings are run so that members can take part in, as the title suggests, a more practical evening. In the past studio, high-speed flash, table top and Photoshop evenings have been run by the members.

The current programme will show the dates of the practical evenings and the theme of the evening: sometimes cameras and tripods will be required, other times a memory stick with some images. Members will be informed at the preceding meeting. At present there is no additional fee for these evenings.

Annual Exhibition

The annual exhibition is the highlight of the club’s year. The Publicity Secretary will organise the exhibition and announce the dates well in advance for members to enter.

Prints and PDIs are exhibited. The exhibition is a great forum for members to display their work, and the club may invite other clubs and organisations to participate.

All members are encouraged to enter the exhibition, but if you are not sure please speak to one of the experienced members who will be able to give you any necessary help and advice.

Section 8 of this document gives more information about the annual exhibition.

AGM

The annual general meeting (AGM) is usually held during the final meeting of each year. The first item of business is to elect the club Executive, consisting of Chair, Vice-chair, Treasurer and Club Secretary.

This is a chance for the club to state its progress and position to the members, with reports from the chair, club secretary, treasurer and other committee posts. Any proposed changes to the club’s constitution (see

Appendix 2) can be put to the meeting and agreed or otherwise. This is also a chance for the members to raise any issues, although this should be done according to the club's constitution.

Communications

At each meeting the Chair will make announcements about forthcoming events. Notices and other information will be displayed on the Membership Secretary's table at the entrance to the meeting room and can contain information such as competition results, external photographic competitions, photographic exhibitions and other photographic related information. In addition the web site will be updated regularly with relevant information. E-mail, normally in the form of a short Newsletter may also be used to disseminate information; members who do not have internet access should contact the Membership Secretary and the Programme Secretary to arrange suitable alternatives.

Extended summer programme

The Club year runs from September to June. To maintain contact with club members during the 'close' year several events may be organised during June, July and August on the usual club nights. These events may be more practical in nature and may be outside to take advantage of the lighter evenings. The extended programme events are self-funding so if a room is required then a small charge is made to the members attending to cover these costs.

Please refer to the website for details of these evenings, or look out for the announcements towards the end of the year in a Newsletter or on the Members' Page.

Web-site

The club maintains a web site at <https://sandhurstcamera.club> where you will find the most up to date information about the programme, exhibition and general club information, as well as a copy of this document. Additionally space is allocated for members to display some of their work. If you have some images you would like included on the gallery pages of the web site please contact the website co-ordinator for details of how to do this.

Members' Page

This is a secure area of the website where registered Club Members (as opposed to external viewers) can access information, Club News, Competition details and results, Meeting Invitations and a repository for training and tutorial documents related to photographic topics.

Expert advice

The club has many experienced photographers amongst its members, so advice and guidance on virtually any aspect of photography is readily available. Please speak to the Social Secretary, or in their absence any member of the committee, if you do not know who the right person is to answer your photographic questions.

Other activities

The club may, on occasion, run photographic trips to events or places of interest. If a mini-bus or coach is booked then a charge will be made. Otherwise it might just be a group of club members getting together to go to photograph a local event and sharing transport costs.

The club may run other activities not described in this handbook. Please check the website and listen out for announcements and details.

Section 4 - Club Organisation

Appendix 2 of this document shows, in full, the Sandhurst Camera Club constitution.

Several officers and members are elected at the AGM to serve on the committee, and these individuals take on their roles with immediate effect following the AGM. Although for some roles there will be a hand over period to ensure a smooth transition from person to person.

Section 5 - Club Competitions

Internal Club Competition Rules

Each year the Club runs a number of competitions, the rules of which are explained in this section.

The competitions are judged by independent judges who are invited to the club to provide a constructive critique of each image before awarding marks out of ten for each image or by selecting the winning entry, depending upon the competition.

The Club runs Print and PDI competitions and challenges.

To differentiate between a competition and a challenge, competitions will be attended by an external judge who will mark each submission, usually out of 10 in half mark steps. A challenge will not be marked and the evening will be led by the Image Coordinator who will provide comments on each submission. The aim of the Challenges is to prepare members for the process of entering their work into Competitions.

In an attempt to further develop members' photography an image can only be entered in an Open Competition once, either as a print or a digital image, and all images must be substantially different. In addition no image may be entered which has been entered in any other PAGB Affiliated club competition or exhibition.

Photographers' own work

The Club follows the competition rules laid down by the PAGB, and by extension the SCPF. In particular regards to originality: "Images must be entirely the work of the Photographer". In composite images, all component images must meet this requirement. For the avoidance of doubt, use of images from any other source including, but not limited to, royalty free image banks and clipart are not permitted. All competition entries at the Club, projected or printed, must therefore meet these rules.

Any images entered for internal competition at the club or for external competition or league must be entirely the work of the Photographer. Verbal advice is acceptable, but the Photographer must make any changes themselves.

Standard and Advanced Class

Currently all members' work is judged in a single class. There is no differentiation between Standard and Advanced work in any of the club competitions or challenges.

It is at the discretion of the Committee to decide if and when it is appropriate to introduce classification of work dependent on the member's level of experience as a photographer.

Print Open Competitions

A number of Print Open competition evenings will be held throughout the club year. Each member may enter up to 3 (3) prints, the third being clearly marked as a "Reserve" that will be used in the event of a low number of submissions. The work is to originate from a photographic image (film or digital), enhancement or manipulation by any existing technologies must be the work of the member, and commercial printing is acceptable. The work is to be mounted, but the mount size is not to exceed 500mm x 400mm. Note: Members are encouraged to mount their prints on 500mm x 400mm board, since this mount size is the norm for SCPF competitions.

The judge will award a mark out of 10, including half-marks, for each image in line with the current SCPF marking guidelines.

PDI Open Digital Image Competitions

A number of PDI Open competition evenings will be held throughout the club year. Within the programme these evenings are known as "Open PDI Competition". Each member may enter up to three (3) PDIs, the third being clearly marked as a "Reserve" that will be used in the event of a low number of submissions.

Each entry must be prepared and submitted according to the guidance notes under PDI Submissions. All the work included is to originate from a photographic image/images taken by the photographer, but can be enhanced/manipulated by any existing technologies by the member.

The judge will award a mark out of 10, including half-marks, for each image in line with the current SCPF marking guidelines.

Theme Competition

Throughout the year a number of theme competitions will be held. The subjects for the Theme competitions will be announced in the AGM at the end of the previous club year, to allow members to produce work ready for the first competition of the following year. There will be different subjects for prints and projected images although the competitions may be held on the same evening.

On the theme competition evenings, members may submit a maximum three (3) prints and/or three (3) digital images, in each case the third being clearly marked as a "Reserve" that will be used in the event of a low number of submissions.

The judge will award a mark out of 10, including half-marks, for each image, in line with current SCPF marking guidelines.

General

Prints must be handed in to the Competition Secretary by 7.15 pm on the competition evening. All PDIs must be submitted to the Competition Secretary, by e-mail to scc@sandhurstcamera.club by 23:59 on the **Saturday** before the competition evening, unless otherwise stated by the Competition Secretary. PDIs submitted after the deadline may not be included in the competition, at the discretion of the Competition Secretary.

Image identification

Print submissions

The competitor must mark prints on the back of the mount with the following information:

- Title
- Photographer Name
- Judge's Name

 Sandhurst Camera Club
<h1>Sandhurst Camera Club</h1>
Title:
Name:
Judge:

Avery Label J8169

Members are encouraged to use a printed label and a preferred template is available on the club's website for members who wish to print their own. The reference number for this label is Avery J8169.

Do not put any information on the front of the print mount.

The Competition Secretary is to ensure that the marks awarded are entered on the back of the

Print and recorded on the competition sheet for the evening.

PDI Digital Image Submissions

It is important that images are re-sized for projection otherwise they will not project correctly.

The maximum size for projecting a landscape image is 1600 pixels by 1200 pixels. Please check that neither of these values is exceeded. If either is exceeded then it must be reduced and the other changed in proportion. If the image is portrait format then it will have to be resized it so that the height is no more than 1200 pixels. This does mean that portrait shaped images are smaller on the screen than landscapes. Images not correctly sized and formatted will not be accepted. The file must be submitted as a maximum quality Jpeg (.jpg) file in sRGB colour workspace. Typically, this will produce a file size between 800kb and 1.6Mb.

The file name must contain the following information:

Title - Name e.g. Dartmoor Landscape - Joe Bloggs.jpg

Title – Name Reserve e.g. Dartmoor Landscape – Joe Bloggs Reserve.jpg

Filenames can be longer e.g. Dartmoor Landscape – Joe Bloggs Open PDI 310119

DO NOT include any other hyphenation as this symbol is used by the software to separate the title from the name. Any further use of the symbol will confuse the software.

Advice on re-sizing digital images can be found on the club website at:

<https://sandhurstcamera.club>.

Any PDI image submitted for a club competition may be used on the club website, and/or the club social media sites unless a member sends a request in writing to the Club Chairman that their images should not be used on the club website and/or the club social media sites. Copyright of images will remain with the original author.

Scoring

In advance of each competition two recorders will be appointed and scores will be recorded on the scoresheets which will be returned to the Competition Secretary after each competition.

Section 6 – Local Inter-Club Competitions

SCC may participate in Inter-Club Competitions, on a case-by-case basis, as agreed by The Committee

The Committee will review all invitations to enter External Competitions and will respond appropriately.

SCC does submit entries, on invitation, to the annual 8x8x8 competition run by Yateley Camera Club, by Committee Selection.

Section 7 – PAGB, SCPF Membership and Competitions

Photographic Alliance of Great Britain (PAGB)

Sandhurst Camera Club is affiliated to the PAGB through its membership of the Southern Counties Photographic Federation (SCPF).

The following is taken from the PAGB website (<https://www.pagb-photography-uk.co.uk>) which best describes the role of the PAGB.

“The Photographic Alliance of Great Britain (PAGB) is an organisation that co-ordinates specific activities for photographic clubs in England, Scotland, Wales & Northern Ireland. It does this through 15 geographical regions known as Federations.

The PAGB organises national competitive photographic events for its Federations and for clubs. It also offers other services such as Recorded Lectures to clubs and its own photographic Distinctions (known as awards for photographic merit) direct to qualifying club members.

The PAGB has strong links with similar organisations in different countries throughout the world through its membership of FIAP (The International Federation of Photographic Art).

Individual membership to the PAGB is not possible. Access to the facilities described above is via membership of a club that is affiliated to the PAGB through its Federation.

The PAGB is run by an Executive Committee whose members are nominated and elected from members of each Federation at the Annual General Meeting each April. This executive meets three times per year to discuss and arrange the events and matters related to the PAGB.”

Please refer to the PAGB website for more information.

The PAGB produces a regular e-newsletter. A link is available on the club website.

Federation membership and inter-club competitions

- Southern Counties Photographic Federation - <https://www.southerncountiespf.org.uk/>

As members of the ‘federation’ the club is entitled to compete in the inter-club competitions and to take part in the federation events.

SCPF holds an annual exhibition, and organises the Print and PDI Leagues and Annual Print and PDI Championships that the club enters.

Section 8 - Annual Exhibition of Photography

The Club Exhibition is the highlight of the Club's year. All members are invited to exhibit their work. The only criteria to exhibit are:

- Exhibitors must be a fully paid up member of the club.
- Exhibitors agree to abide by the regulations of the exhibition.

Currently, entries can be submitted in any or all of the following categories:

- Open Print

Print Displays

Prints can be any format but must be mounted, but the mount size is not to exceed 500mm x 400mm.

Note: Members are encouraged to mount their prints on 500mm x 400mm board, since this mount size is the norm for SCPF competitions. There is no restriction on print size, within the mount restrictions.

Members who have prints of their submissions that have scored 9, 9½ or 10 in competitions during the club year will be strongly recommended to submit their prints for the exhibition. Members can also provide entries which will be selected for display at the discretion of the Committee.

Prints must be labelled on the back with the following information:

- Photographer name
- Print Title

 Sandhurst Camera Club
Photographer:
Print Title:
Print Number: of:
Additional Details:

Avery Label J8166

Members are encouraged to use a printed label and a preferred template is available on the club's website for members who wish to print their own. The reference number for this label is Avery J8166.

PDI Panels

Currently PDI Panels are not included in the exhibition, but at the discretion of the Exhibition Organiser there may be a PDI display on a constant loop during the exhibition.

Awards

Each print will be numbered and members of the public will be provided with a voting slip as they enter the exhibition room. The voting slip will

provide for 1st and 2nd choice.

At the end of the exhibition all votes will be counted and the winner will be declared based on number of 1st choices. In the event of a tie 2nd choices will be counted.

If there is still a tie, then a tied result will be declared.

Other organisations

Other organisations may be invited to exhibit work at the discretion of the Publicity Secretary after taking advice from the Club Committee.

The Publicity Secretary, who may amend some of the above, will issue full details nearer the Exhibition date.
