

Chairman's Newsletter No.73 - 13th November 2022

A few reminders

At our meeting on Tuesday 15th we have a presentation by our guest speaker Andy Small - Creative Flower and Nature Photography

Please remember we are starting at 7:30 and finishing about 9:30 so we are out of the Car Park by 10

A reminder that on the 29th of November there is another open PDI competition, judged by Keith Newton, so plenty of time to get those shots chosen. Get them in early to on the usual scc@sandhurstcamera.club email address, by SATURDAY PM 26th.

Hopefully you will have some more PDI's to send in and will have taken on board comments from Peter Markwick from our last Open PDI evening. These comments are there to help us improve our photography and although many of us may not want to enter main stream competitions, this is a useful way to help us improve our skills.

Our last evening of 2022 is on the 13th December and will be in the main hall, this is our Christmas social.

Note we do not have access to the main hall till 7:30 pm

I hope you saw the email from David about the first round of the SCPF League 4 competition, where we won the round by 0.5 of a point, well done to those entries and look forward to further updates from David as the Competition progresses.

A date for your Diaries

In Jan2023 between the 7th and 28th the SCPF are holding their Annual

Exhibition in the Young Gallery at Salisbury Library. If you are in that part of the country during those dates it is worth a visit to see PDI and Print entries.

Bracknell Forest Lottery

It is now almost 3 years since we promoted the Bracknell Forest Lottery (Nov 2019 Newsletter N0.9). The club receives part of the money raised from Ticket sales by its supporters.

Full details are on their Web site where you can sign up for a £1/week ticket. Just type Sandhurst Camera Club into the search box.

<https://www.bracknellforestlottery.co.uk/support/find-a-good-cause>

Bracknell Forest Lottery is an exciting weekly lottery that raises money for good causes in Bracknell Forest. All good causes supported by the lottery will benefit Bracknell Forest and its residents.

Play the lottery, support Bracknell Forest - it's that simple! (and Sandhurst Camera Club)

Tickets for the lottery cost just £1 a week. Each ticket has a **1 in 50** chance to win a prize each week, with a top prize of £25,000! That's a better chance of winning than the National Lottery or the Health Lottery.

Each ticket has six numbers and each number is between 0 and 9. There will be a draw every Saturday night when a six digit winning combination will be picked. Prizes will be given to players with tickets that match the first or last 2 to 6 numbers from the winning combination. Match all six and you win the jackpot!

Finally

Have you completed a Membership Update form, as we need to maintain up to date records for topics at meetings and UK GDPR requirements. There are still several outstanding. If you haven't already done so, could you please complete the form, which you can find on the membership page of the website, and return it to members@sandhurstcamera.club or bring it to the next meeting.

We still have a Committee Vacancy. If you would like to help out with the running of your Club then please have a chat with us.

Whilst on the subject of your club, there is a opportunity to show the rest of the membership an area of Photography that you are interested in, and show us all

at the Jan 3rd meeting "Members Night".

Please let Lynn know and the Topic you could present, there is plenty of time to get something ready, or let us know topics that interest you for the next year 2023/4, unless you tell us we only have your Membership update forms to go by,

Do you want more practical's/talks etc?.

Please remember that when you submit your entries for any of the PDI competitions that you should keep a TIFF file copy of the original, before you alter and create a JPEG file. This will allow the club to use high scoring entries in further competitions like the league or 8/8/8

Hope you enjoy the 29th

(Unfortunately I have another clash of meetings so will not be there)

Ian
