

EXISTING MEMBERSHIP UPDATE FORM

See the consent boxes below.

Please take a few minutes to review the sections below and bring your details up to date then return the completed form to members@sandhurstcamera.club, or bring it along to the next meeting.

Name Membership No:

You the Photographer:

To help us better understand your needs, it would be good to know how you would identify yourself. **Please tick:**

- Beginner:** You will have recently taken up photography as a hobby. You are probably still unfamiliar with the basics of photography or the equipment. Chances are you won't do much editing of photographs.
- Intermediate:** You will have some knowledge of the basics of photography and your equipment. You will be familiar with terms like Exposure, Shutter Speed, Aperture, Composition and Depth of Field. You will edit your pictures to some degree.
- Advanced:** You will have a good understanding of all the above and regularly use it to produce photographs. You will have good familiarity with the editing software you use.

If any of your personal details have changed, please make the updates, below:

Data Protection:

Sandhurst Camera Club is determined to ensure that any personal details of members held on our database are both accurate and current. To ensure compliance with the Data Protection Act, they will only be used to facilitate the effective management of the club. These details, which you supply, together with results of competitions will be the only records we hold on the database.

Please tick box to signify your consent for details to be kept in this way.

Publicity

From time to time, photographs of and/or by members may be used in publicity; on the club's website, forum and social media; in exhibitions; and in competitions. **Please tick the box to signify consent** to photographs of you or your ward (In the case of junior or vulnerable members) to be published by the Sandhurst Camera Club.

Please tick the box to signify consent to your photographs being published on the club's website: **on Social Media:**
